Donor Recognition...

The donors listed in this publication came from our most recently published newsletter, which is a free publication that is printed and mailed quarterly. These are donors who made gifts to Tri-County Humane Society between November 2016 and April 2017, and have granted us permission to publish their name to show they support local animals in need. To all of our friends of animals listed here, and to those who wish to remain anonymous, we offer our heartfelt thanks.

In memory of Daryl R. Dahl and "Tiki." Daryl loved dogs and had always wanted one. So, when the time was right we made a visit to the Tri-County Humane society where it was love at first site with Tiki, a seven-month-old Australian Shepherd/Husky mix. That was 16 years ago now. Tiki was the sweetest, most wonderful dog I have ever known. She lived a long, happy life full of trips to the cabin, dog parks, naps and much more. She was loved by all who met her. She passed away at the age of 14years at home surrounded by her loved ones just weeks before Daryl. Daryl loved Tiki and all dogs very much, and I believe he would be happy that other dogs will be helped with this donation. Please accept these funds in the Memory of Daryl R. Dahl and Tiki.
