The names of donors in this newsletter represent only a fraction of the friends who have assisted us in our mission. Talents and contributions may vary, but we all share a common bond in wanting to help animals. This sincere "Thank You" is to those not mentioned. Your support and donations are immensely appreciated, and the fact that you care so much for animals is heartwarming.

Show Your Commitment When You Sponsor a Kennel!

Kennel sponsorships provide a great opportunity for individuals, families, communities, group organizations and companies to publicly show their commitment to helping homeless animals in our community. Sponsorships directly benefit animals by allowing us to provide shelter, basic exams, vaccines, and other kennel needs for the animals in our care.

Learn more about Kennel Sponsorships at our website: tricountyhumane.org, Get Involved—Donate—Sponsor a Kennel or at the shelter.
