

Dear Friends of Animals,

At Tri-County Humane Society, we strive to bring sunshine to the lives of lost and homeless animals every day. We provide them with love, care, and a safe haven until they find their new homes. We want every animal in our care to feel the warmth of the sun on its face and the joy of a happy, healthy life.

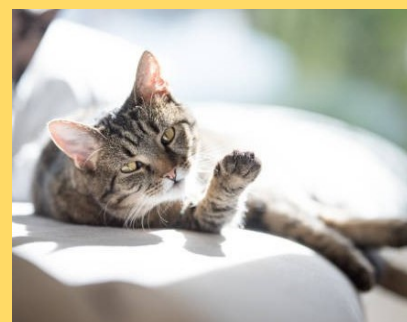

However, we can't do this alone. We are reaching out to you today with an appeal for financial support to keep the services that TCHS provides to the people and pets of Central Minnesota available. Your contribution will help us provide critical services such as veterinary care, food, shelter, and love to animals in need.

For some animals, their time at the shelter is the first they've ever experienced the warmth of love and kindness. Like rays of sunshine are to a plant, we see them come out of their shell, grow, and prosper. Whatever gift you're able to make, rest assured it is appreciated and will light the way for pets on their journey home.

Warm regards,

Emily Prodinsky
