Message From the Executive Director

Dear Friends,

We've all heard and probably have used the term "April showers bring May flowers." For us, April showers bring May litters (of kittens, primarily), and by July many of those are ready for adoption.

"Kitten season" lasts approximately 6 months at TCHS, so if you or anyone you know is in the market for a new kitty — please send them our way! June happens to be Adopt A Cat month. Let's make the next five months Adopt A Cat month, too!

Along with adopters, we are currently in need of the following:

- Foster Care Homes
- Donations for Veterinary Expenses
- Kitten Food
- Kitten Milk Replacer
- Cat Litter

We currently have 150 cats and kittens in foster homes, most of which are ready to be spayed/neutered and will be filtering into our cat rooms for adoption soon. With our foster homes full and around 100 animals in the shelter at any given time, the expenses add up fast!

Please help, with your gift of much-needed pet supplies or a tax-deductible donation today. You can help us shower the animals in our care with love - and the means to meet their needs. Together we are making a difference, one wet nose at a time.

Thank you, on behalf of the animals -

Vicki

Vicki Davis, Certified Animal Welfare Administrator (CAWA)

P.S. Sometimes the smallest things take up the most room in your heart. Find out for yourself by fostering a kitten (or two or three or more)!

Capital Campaign Update: I would love to talk with you about our

plans! If you are interested in our shelter capital campaign, please contact me to arrange a visit and discuss the many ways you can leave a legacy for the animals for years to come.

Call (320) 252-1325 or email tchs@cloudnet.com

Shop at TCHS

The Re-Tail Shoppe is your one-stop shop for pet supplies!

We carry a wide variety of treats, toys and pet supplies as well as items for the pet-loving people in your life. Don't see your favorite product? Ask us about special orders.

A few of the items we carry: Taste of the Wild, Solid Gold, Canidae & Diamond foods; Kong products; Made in the USA treats/bones; Yeowww!!! Catnip toys; Cat Attract litter; and of course—TCHS apparel!

Minnesotans are certainly celebrating the wonderful weather right now! And we know our pets are loving it, too. But, of course, with the sunnier temps comes flea and tick weather.

Defend your pets from the pests by buying Frontline, available in the TCHS Re-Tail Shoppe! Frontline is available in various sizes and for cats/kittens and dogs/puppies. Individual doses for dogs start at \$14.50, but there are boxes with 3-6 doses available, too.

Round Up for the Animals!

If you're a customer at The Re-Tail Shoppe, you may have been asked "Would you like to donate or round up to help the animals?" Shopping at our store is already a great way to help our animals; rounding up or an additional donation is another FANTASTIC way you can extend that help. You probably won't miss that spare change to "round up," but it could mean a big CHANGE for our animals.

Tri-County Humane Society is proud to announce it had a historic 17th annual Wine, Kibbles and Bids!

Thanks to our dedicated friends, we raised a projected

\$106,835

for the animals!

17th Annual

This is a fundraising milestone for our organization; never before have we crossed the \$100,000 mark – and we couldn't have done it without our many supporters.

The evening helps make it possible for TCHS to carry out its mission to spay or neuter every cat, dog, kitten, puppy and rabbit that is adopted from the shelter.

Almost 300 guests and volunteers attended Wine, Kibbles and Bids on April 20 at the Gorecki Center at the College of St. Benedict. The night featured a silent auction with 160 items, a delicious gourmet dinner, music from Monday Night Jazz, a raffle, and, of course, beer and wine tasting.

Along with our generous event sponsors, TCHS would like to thank Bill Nelson and Jan Ritsche for their efforts.

Nelson, a former TCHS board member and animal advocate, outdid himself this year: He raised about \$52,000 through his "Bill's Jar" campaign, in which he passed out glass jars to collect money for the humane society. This money includes proceeds from the Spay-ghetti and (No) Meat Balls dinner as well as the Walter's Wheelhouse concert at Pioneer Place on Fifth. Nelson also led our "Fix a Pet" Live Auction that evening at Wine, Kibbles and Bids, which brought in \$10,745. Ritsche, a friend of Tri-County, then matched that number.

"This was an amazing night for the shelter, and TCHS is so lucky to have so many friends of animals," said Executive Director Vicki Davis, Certified Animal Welfare Administrator. "We couldn't do what we do every day without their support."

TCHS' income from the event totaled \$72,847, but thanks to matching grants and other support, we are expected to add another \$41,077 to that. Our total expenses for the night were \$7,089, so TCHS projects when all is said and done, we'll finish with \$106,835. That's quite a night for our shelter, our supporters and especially the animals – the main reason TCHS is here.

TCHS thanks everyone who attended that evening, with special acknowledgement to our almost 50 volunteers who helped the night run without a hitch. **We are so lucky to have all of you!** Save the date for next year's event—April 5, 2019!

Book Buddies

Tri-County Humane Society is excited to announce it has extended Book Buddies hours for the summer!

Book Buddies is the TCHS program in which children read to the shelter animals. It's intended for ages 5 to 12, but it's open to anyone who wants to do the training.

Book Buddies is great for young readers because it gives them a nonjudgmental audience (our animals). And it's a benefit for the animals – they get to hear a soothing voice that can relax them in a sometimes stressful environment.

To join Book Buddies, contact Volunteer and Events Coordinator Kate Kompas at 320-252-0896, ext. 27, or email her at volunteer@tricityhumanesociety.org.

Young readers go through an initial training; after that they're free to read during designated reading hours. There is a one-time \$5 cost to enroll in the program, but if it's a hardship just talk to the volunteer coordinator.

We want to make sure this is open to everyone who wants to read!

The names of donors in this newsletter represent only a fraction of the friends who have assisted us in our mission. Talents and contributions may vary, but we all share a common bond in wanting to help animals. This sincere "Thank You" is to those not mentioned. Your support and donations are immensely appreciated, and the fact that you care so much for animals is heartwarming.

Show Your Commitment When You Sponsor a Kennel!

Kennel sponsorships provide a great opportunity for individuals, families, communities, group organizations and companies to publicly show their commitment to helping homeless animals in our community. Sponsorships directly benefit animals by allowing us to provide shelter, basic exams, vaccines, and other kennel needs for the animals in our care.

Learn more about Kennel Sponsorships at our website: tricityhumanesociety.org, Get Involved—Donate—Sponsor a Kennel or at the shelter.

We locked eyes back in 2005 in the puppy room. We spent the next 13

In Memoriam

It is with great sadness that we acknowledge the passing of our dear friend and shelter veterinarian, Dr. Lois E. Harmon. Dr. Harmon worked for Tri-County Humane Society as a part-time employee from 1986-1988. She returned after graduating from the University of Minnesota Veterinary School as our shelter veterinarian in February 2005, and has been with us for the past 13 years.

During this time, she impacted the lives of over 40,000 animals at Tri-County Humane Society. Her patient guidance and mentoring through the years has touched the lives of countless animal welfare professionals and volunteers who had the pleasure of working with her, and her loss will be felt by many.

To honor Dr. Harmon by supporting her favorite cause and love for animals, you may make a tribute in her name on our website: tricityhumanesociety.org/donate/

Meet Tauna Quimby!

When Vicki invited me to write this article, I kept thinking: accomplishments, resume, and skills. What would the generous, talented group of TCHS supporters want to know about me?

Draft one started: "I have been in non-profit management for more than 20 years." And then started and stopped a few more times. Is it interesting to know that I've volunteered for dozens of organizations, led hundreds of meetings, or created meaningful connections for mission-critical projects? Not really.

In draft two I took a more personal approach, sharing the connection between my past experiences with pets, work, and hobbies, tying in how all of these experiences prepared me to be here. But "I love animals" probably goes without saying and my passion for crafts, making lefse, and gardening probably strayed too far from my qualifications for being a TCHS employee. Then [likely wondering where the draft was] Vicki blew my mind when she simply said, "Tell them what brought you here."

Well, that's easy: my heart.

My heart fills when I connect with others to make the world a better place. The Director of Philanthropy position at TCHS made my heart stir with excitement from the moment I heard about it. Between the great adoption experiences I've had here and this organization's reputation for excellence, I knew immediately I wanted to be part of this active, alive TCHS family!

I look forward to hearing YOUR TCHS story and coming up with more ways to strengthen the human- animal bond in the Tri-County area.

Who Rescued Who?

"I wanted to pass on our experiences with the little spotted dog we adopted on May 14, 2018. We had just lost our last little friend, Hector, and were feeling the emptiness quite badly so we decided we MUST adopt a dog to help fill the empty spot. I must preface this by saying Hector was very much my buddy, following me everywhere I went. This sometimes caused (my wife) Mary Kay to feel kind of neglected so I decided our next dog must be equally bonded to her.

"When I saw Pluto (now Buddy) I thought he would be a good addition to our home. I was right!!! The little guy quite happily went home with us and spent the rest of the day investigating our house and our big fenced backyard.

That night he slept on Mary's lap in her big recliner - bonding achieved! We soon found that he is faultless in the house, going out to do his thing whenever needed. He loves his Mary and sleeps in either his cage by her recliner if she's there or in the one by her bedside if she's there. He sleeps through the night but won't get up until Mary does, even if I open his cage door. But when she gets up he dashes outside.

"I am amazed by how quick he is about learning about new things like the doggie door. And we are learning about all the things he already knows like 'sit', 'lie down' and the like. He likes to be with me in the garden and loves to fetch and play tug. He immediately adopted a little stuffed Westie doll from the toy box and takes it with him everywhere, in the house, outside and with him on his pillow or in his cage at night! It's almost an obsession, friends stopped by for a few minutes today and Buddy greeted them, of course. In a few minutes he dashed out of the room and immediately came back with his doll! He gives us so many smiles and laughs, thank you for placing him with us."

Mary Kay and Richard

We receive wonderful stories of TCHS alumni on a regular basis, and we want to offer our sincere thanks to all who take the time to share them with us. Over 3,000 pets enter our doors every year. Some stay for just a few days while others stay for months before finding the perfect match, but they all manage to wiggle their way into our hearts.

We are invested in each and every pet we care for, and we want the best for them!

You can imagine the joy it brings us to receive pictures and updates from adopters like this one! It seems only right to share them with you, our friends and supporters who make our work possible. THIS is why we do what we do. Why you give, volunteer, adopt, and encourage your friends and neighbors to do the same.

Share YOUR adoption story with us by messaging our Facebook page or emailing us at: pets@tricountyhumanesociety.org. We'd love to hear from you!
